High spec modern shape petrol hatch should appeal to a variety of customers. We had to go a long way for this car but it was good at first sight. A real Toyota and Honda contender. Quiet and economical with high comfort level. 6 speed gearbox, returned 56.9 mpg on the journey back to North Herts. Great car, good price, recommended. Purchase this car online and it can be delivered free to you. We do not operate a generic response to enquires. Email or phone us please with your questions and we will contact you back personally.
