From one of my best family costumers. In fairness now in probably better order than when I initially sold it to them 3 years ago. Versatile family car in a stand out colour. Benefits from 1.6 petrol engine, which has covered less than 5,500 miles per annum. Total service history. x2 remote keys. MOT until August 2022. Very attractive, have a look at the interior pictures. Purchase this car online and it can be delivered free to you. We do not operate a generic response to enquires. Email or phone us please with your questions and we will contact you back personally.
